Seattle: 200 21st Ave, #200	206-341-9914	seattle@bceducationcenter.com

BC EDUCATION CENTER

Gifted Test Preparation Program

Are your children ...
academically gifted?
finding school materials too easy?
often challenging themselves?
able to work independently with little direction?
bored with the usual tasks?
curious about everything?

If you answer YES to most of the above questions, you should consider having your children tested for your school district's gifted programs (Prism, Quest, Highly Capable, APP, MERLIN, etc).

Our Bellevue and Issaquah centers offer gifted test preparation program so that your children can be familiar with the many types of questions on the exam. We also provide some test taking strategies so that your children can take the test more efficiently. We have classes from kindergarteners to fourth graders.

If you are interested in knowing more about the program or in signing up your children, please contact our locations below for schedule and registration.

Tuition Fee for Kindergarteners: \$100 (BC Students); \$130 (non-BC Students)
Tuition Fee for 1st to 4th Graders: \$160 (BC Students); \$200 (non-BC Students)

Space is limited. Please sign up early!
