

Struggling with the SAT?

Don't PANIC!

BC EDUCATION CENTER can help!

Our SAT preparatory course includes:

- Over 2000 practice questions, in addition to numerous simulated SAT exams, which will help you to improve in every aspect of the exam.
- 64 hours of test preparation that will drill you for each type of question on the SAT.
- Repeated weekly SAT practice tests, so realistic that the real thing won't faze you at all!
- Course curriculum designed to be methodical in content and approach.
- Our small class (6 – 10 students) fostering intensive learning.

Take this course to:

- Strengthen your mathematical and verbal skills plus your exam-taking savvy.
- Advance your abilities in reading comprehension, vocabulary, sentence completion, grammar and essay writing.

**Get a competitive edge over other college applicants
in entering the college of your choice!**
